ABOUT ME

I am experienced in the field of national security, with 10 years of service: serving in IDF as a combat soldier, working for private security companies and serving in Israel Police as a cadet.

I have excellent interpersonal communication skills, and my previous jobs required the ability to take initiative, solve complicated and unexpected problems, excel and be creative.

These days, I am in the midst of retraining in the field of Full-Stack Web Development.

EXPERIENCE

POLICE OFFICER
Israel Police
2021-2024

- Served as a "Shoham" cadet, a reserve program for outstanding academics.
- Worked as a patrol officer, which required handling difficult crime scenes, assertiveness, reliability and composure in stressful situations.

SECURITY GUARD
Private companies
2018-2021

- Security guard at the National Social Security Institute of Israel.
- Security guard at "CanBreed", a highly secured lab-farm for research, production and development of cannabis seeds.
- Both jobs included an advanced security guard training.

ARMY SERVICE
Israel Defense Forces
2014-2017

- Serving as a combat soldier for 36 months.
- Promotion to a command position without previous experience or training.
- Discharged with honor and a noteworthy rating.
